

Annotation to Agenda 9 – AOR Recommendations, follow-up matrix

With reference to the PAME 2013-2015 Work Plan on Arctic Ocean Review (AOR) follow-up of its recommendations and to facilitate the discussion on this agenda item at the upcoming PAME II-2013 meeting, participants are asked to come prepared to provide comments and inputs on the 1st draft of the AOR Matrix i.e.:

- ✓ The suggested three categories (this is similar to the AMSA matrix):
 - i Actions to be followed up/implemented by PAME (current or future activities)
 - ii Actions to be followed up/implemented by other Arctic Council working groups
 - iii Actions to be followed up within national implementation processes/policies with possible future requests for reporting on national activities, if needed
- ✓ List of possible actions as placeholders for AOR follow-up and future discussions
- ✓ Proposed actions at PAME meetings during the 2013-2015 period

Action by PAME II-2013

- ✓ Agree to a revised version of the AOR Matrix based on comments received.
- ✓ Agree to a revised workplan.
