PAME I-2015 Agenda Item 10

Annotation to PAME Work Plan 2015-2017

Aim:

The aim of the PAME I-2015 meeting is to update the work plan as reflected in decisions on respective ongoing and new activities. Final agreed versions of project plans for new activities will be annexed to the work plan (longer version).

Documents:

- Revised draft PAME work plan 2015-2017 version 18th of January: short version. For inclusion into the SAO Report to Ministers (3 pages) and follows the guidance as provided by the Canadian Chairmanship.
- Revised draft PAME work plan 2015-2017 version 18th of January: long version. This version will be published as a stand-alone document in similar manner as previous PAME work plans with project plans of new proposed projects annexed to the plan.

Action requested by PAME I-2015:

Review, update, confirm co-leads and agree to a final version of the PAME 2015-2017 Work Plan (long and short versions) for submission to SAOs in March and Ministerial meeting in April.
