

PAME II-2018

Annotation to Agenda 4.3: Project proposal on Factsheet series on Arctic climate change impacts

(1st work package)

Document:

- ✓ Revised project proposal on the development of factsheet series on Arctic climate change impacts (1st work package) for inclusion into the PAME 2019-2021 Work Plan.

Main Tasks proposed for the period 2019-2021:

- ✓ Develop a template for Arctic Council thematic factsheets
- ✓ Develop a “master” Arctic Council fact sheet on Arctic climate change impacts
- ✓ Develop the 1st thematic factsheet on Arctic climate change impacts on MPAs and indigenous people’s lives.

Action requested by PAME II-2018

- ✓ Agree to a revised draft project proposal and timeline to finalize for inclusion into the PAME 2019-2021 Work Plan and appropriate consultations with other working groups of the Arctic Council
- ✓ Indications and/or confirmation of co-leads for this project
- ✓ Indications and/or confirmation of funding
