

PAME II-2019

Agenda 7: Annotations to Agenda items 7.1 and 7.2

Annotation to Agenda 7.1: *Update / status report on the development of an Information Handbook or Reference Guide on Engagement of Indigenous Peoples in Marine Activities.*

Following the meeting with the PPs and others on Monday September 9, discussions will take place in plenary to define the scope and format of a handbook or reference guide.

Annotation to Agenda 7.2: *Update / status report on current offshore oil and gas activities by Arctic States.*

The REDEG will receive and compile the submitted Arctic States surveys consisting of a short description of petroleum activities currently underway or being planned, descriptions of any amendments to existing legislation or regulations or the establishment of new legislation or regulations, as well as policies, practices, and organizational structures, for regulation and management of petroleum activities, instituted after the 2010 OGA (Arctic Monitoring and Assessment Program (AMAP) Working Group of the Arctic Council's 2010 Assessment, *Oil and Gas Activities in the Arctic – Effects and Potential Effects-OGA*).

The survey results will be discussed in plenary and a timeline for completing the collection and formatting of the results will be agreed.
